

<b>WHEN</b>	<b>Wednesday, October 24, 2007</b>
<b>TOPIC</b>	<p><b>Total Cost of Ownership – Printing/Copying</b></p> <p>Are you looking to move to, or are you curious about, a "cost per page" structure for all of your printing and copying needs in your office? If so, please join us at our next luncheon meeting being hosted by Hewlett Packard. This session will provide you with a foundation to understanding the total cost of ownership of a copier / printer contract. Some of the points that will be covered is assistance in understanding the contract and how the cost of consumables is not the only factor in the 'cost per page'.</p>
