Managed Services

Information Session

Tuesday June 23rd 12-1 p.m.

735 Erskine Avenue

This session is designed for business owners/managers interested in learning about:

- Access to the latest know-how and **relevant knowledge and experience**
- How to get the **right resource** at the right time
- Determining **level of availability** you need
- Locking in a **primary and secondary** resource for critical needs
- Access to a **premium level** of support through major manufacturer authorizations
- **Cost and impact** of system downtime due to IT staffing shortages

Lunch will be provided courtesy of MicroAge Peterborough.

To RSVP for this event, please contact Kathryn Fanning by June 17th at 876-1177 ext 149 or kfanning@microageptbo.com
